

K-Love serves me in Raleigh, NC. Not only for me, but their ministry is throughout the US. It is wonderful to have a Christian radio station as K-Love. It is the most important radio station there could possibly be. If our community lost K-Love programming, it would be a terrible loss, unrecoverable. The public longs for a radio station such as K-Love that plays spiritual, good, wholesome music and talk shows. It provides comfort and encouragement on a daily basis. Please do not block this station! It would be more of a loss to all communities than you could even imagine.
